VARSITY ATHLETICS

Coach J. H. Maddock has called a meeting of the managers of the class track and baseball teams for this afternoon at 1 o'clock, at which meeting he wishes to arrange for the interclass track meet and the baseball series to be pulled off, before the regular season begins. He hopes in this way to get out considerable new material, especially from the freshmen, which might never be discovered if the classmeets were postponed until after the regular season was well under way. Although it has not been definitely decided, the track meet will probably take place in about two weeks, with the baseball series immediately afterward.

Associate Coach Milne has had a big bunch of balitoesers out the last two evenings, and although there are a number of pretty stiff arms the men are beginning to show early season form. The newest arrival in the ranks is Jack Rebber, who twirded for the "U" two years ago. He was out in a suff Treeday affernoon and looked good to Milne. With Lee Larsen and Louis Spitke, the pitching department will be well cared for.

BALKAN SITUATION IS DEPRESSING TO MARKETS

VIENNA, March 16.—The bourse today was again greatly depressed by fears

OFUK KULUMALISM

The conditions and causes which produce Rheumatism all suggest a healthful vegetable remedy as the surest and safest cure. The disease is brought about by the accumulation of uric acid, an irritating, pain-producing property in the blood. This causes a weakening and souring of the circulation which then becomes unfit for nourishing the body, while the deposits of uric acid in the nerves, muscles, joints and bones produce the pain and agony of Rheumatism. To treat the trouble with medicines containing potash or other strong minerals, is simply adding another poison to the already weak, diseased blood, sapping it of its remaining vitality, and perhaps in the end making a physical wreck of the sufferer. The one safe and only cure for Rheumatism is S. S. S. It is nature's remedy for this disease, made entirely from healthful vegetable ingredients extracted from the roots, herbs and barks of the forest and fields. S. S. S. goes down into the blood and removes every trace of the cause of Rheumatism, cleanses and purifies the circulation, and restores health and comfort to those who are suffering from this painful disease. There is but one way to be sure you are not dosing your system with mineral medicines, and that is to take S. S. S. Book on Rheumatism and any medical advice free.

For the Largest Purse Ever Offered in Salt Lake Friday Evening, March 19

This will be the first time the great Marathon has been seen in Salt Lake. The racers will get one-half of the gate receipts, which no doubt will run close to the \$1000 mark. This was nocessary in order to induce the outside talent to come long distances to enter the race. However, we bank on the Salt Lake boys giving a good account of themselves in this race.
